

TRIBUTE TO
GUNS N' ROSES

RECKLESS ROSES

Europe's most authentic Guns N' Roses tribute has been touring all over Europe and Asia since its formation in 2012.

The guys will bring the true 80's, 90's experience of the original band, with the feeling, the unique sound and the visual elements, be it 1 or 3 hours, a small bar or a large hall.

The band released their first live DVD called "Live @ Club 202" in 2016.

Two years later, they created a video for "Sweet Child o' Mine", and reached more than 800K views on Youtube.

Since then, Reckless Roses have created multiple more video clips, and performed hundreds of concerts all around the world.

RECKLESS ROSES

“Besides the love of music, the audience is our biggest motivation. No place is too far away, if the fans are happy to see and hear us.”

*On our shows we don't only perform songs.
We bring people the true Gn'R feeling.*
